

End of Day (EOD) Report

Date: 06 July 2026

Accomplishments

- I had already setup my accounts of Github and Medium.
- Booted up my vms and configured the environment and reviewed linux basics.
- Focused on Linux filesystem walkthrough using CLI. [Task](#)

Challenges

- I faced no challenges on these tasks as I had already working on Linux.

Next Steps

- Practice some more and prepare for the next day.
